110 Leaf Lane, East Bridgewater, MA 02333

Professional web developer with a proven track record of excellence in both technical and interpersonal roles. I combine expert coding skills with a dedicated approach to problem-solving and user engagement.

Experience

Lead Teacher

Honeytree Learning Center | Hanson, MA | 09/1999 — 09/2001

At Honeytree, I started off as an assistant, mostly helping change diapers and clean, and worked my way up to creating and executing lesson plans. I also worked as an assistant at Busy Bee one summer in high school with infants and toddlers and loved it!

Wellness Professional

Self-employed | Various Locations | 09/2001 — 04/2010

During this time, I worked doing massage therapy, teaching fitness classes, and personal training at various gyms and wellness centers, including Raynham Athletic Club, Club Ex, and Massage Envy.

Pharmacy Technician

CVS / Eaton Apothecary | Various Locations | 04/2010 — 09/2013

At CVS I helped prepare prescriptions under the supervision of a pharmacist. At Eaton Apothecary I did the same but also traveled to the various assisted living communities we serviced to deliver meds, audit med boxes, and build relationships with the nurses and patients we serviced.

Server

99 Restaurants, etc | Bridgewater | 09/2013 — 03/2020

During this time, I worked as a server at various locations, including 99 Restaurant and Pub, Stoneforge, and Ron Emma Enterprises.

Seasonal Merchandiser

Costco | Avon, MA | 10/2018 — 01/2019

Working at Costco was one of my favorite jobs. As a seasonal merchandiser in the clothing department, my duties included coming in very early in the morning or overnight to restock, consolidate displays, create new displays, fold clothing, clean the store, and bale cardboard.

Packaging Associate

ACS | Bridgewater, MA | 06/2020 — 09/2021

At ACS, my duties included maintaining a sanitary work environment, weighing and measuring materials, ensuring all regulations were followed, and restocking packaging supplies.

Member Services Representative

Blue Cross Blue Shield of Massachusetts | Quincy, MA | 09/2021 — 09/2022

My role in Member Services is to respond to member inquiries in a pleasant, informative, and accurate manner. In this role, I need to handle as many as 50 calls each day and navigate systems including SharePoint, BlueView, and Account Management System. Skills utilized include efficiency, empathy, and accuracy.

Medical Receptionist

Compass Medical | East Bridgewater | 09/2022 — 06/2023

At Compass Medical, my responsibilities include checking in patients, verifying insurance both at check-in and from the Eligibility Report, taking detailed messages for nurses and medical assistants, and scanning documents and putting them in the appropriate portion of the patient's chart.

Patient Access Coordinator

South Shore Hospital | Weymouth, MA | 07/2023 — 02/2024

As a Patient Access Coordinator, I performed a variety of duties, including registering patients, verifying insurance information, collecting co-pays, and escorting families to visit patients in the Emergency Department.

Practice Coordinator

Dana Farber (at South Shore Hospital) | Weymouth, MA | 02/2024 — Present

At Dana Farber I check patients in for their appointments, schedule labs as needed, answer phones, direct messages appropriately, make out reach calls to patients who have missed their appointments, and direct all incoming faxes to the appropriate party. Providing excellent customer service while dealing with sensitive subject matter is key in this role.

Education

East Bridgewater Public School District, 09/1986 — 06/1999

High School

I graduated East Bridgewater High School with High Honors and also completed some college courses at Bridgewater State University during my last two years.

Massasoit Community College, 09/1999 — 05/2001

Early Childhood Education

I did not complete my degree (practicum was not completed), but I did complete enough coursework to be credentialed as an Infant and Infant/Toddler teacher and a Preschool Lead Teacher. Transcripts available upon request.

Frontend Simplified, 04/2026 — 07/2026

Mastered modern web development fundamentals by completing rigorous coursework focused on HTML, CSS, and JavaScript. Applied these skills to build several high-performance, responsive websites that improved user engagement metrics.
